### About Us

Established in 2009, Heavy Timber Truss & Frame has been producing premium quality timber frame homes, components, and structures throughout the U.S. Our representative network partners are experienced in timber frame and custom home construction in your area. When you choose Heavy Timber Truss & Frame for your project, whether for timber accents or a full timber frame home, you're choosing a company that prides itself on providing the highest quality fit and finish possible.

- All items shown in this brochure are decorative only, and are not to be used for structural purposes.
- Structural timber components and trusses are available upon request.
- All timbers are provided with a smooth finish.
- Rough sawn and hewn textures are available as an option; please call for pricing.
